For the following three questions you should make reference to the first page of this document, which outlines some details of the Steering Committee role and also some of the required skills.

2. Experience

In a professional area, I am lawyer, with master in Real Estate and Commercial Law, I belong to the Green Party of Dominican Republic (PASOVE), where my main function is General Sub-Secretary and support the administrative area.

I am a President of the Dominican Greens Citizens Foundation - FUNCIDOM (Fundación Ciudadano Verde Dominicano); that is an organization that fitting for the Greens skills and causes in the country and the planet. We have projects of national reforestation and we are committed to environmental education, for its protection and sustainable use of our natural resources and create politics in that sense, because being a green activist commences by the mind, and the knowledge of the consequences of how we affect our planet is the fundamental basis for a real change.

3. Motivation to join the SC

Dominican Republic is a predominantly green country, are too many Greens foundations, but PASOVE, is the only formal Green Party in our country. Greens positions needs to be taken seriously. For me, will be an honour and a really enriching challenge to represent my country and the Americas at the Global Young Greens- SC. Is an opportunity and important experience for me be part of this group, being a supporting representation and working together for the develop of our visions as a Greens.

4. How do you want to help develop GYG?

I believe with my experiences in the foundation and in the Green Party, I can provide a point of fundamental dialogue between the Americas connecting the interests of all member countries and at the same time, to be an active person involved in each of the risks and difficulties of each country, being a help the institution in its growth and also learn a lot from the others members.
