*For the following three questions you should make reference to the first page of this document, which outlines some details of the Steering Committee role and also some of the required skills.*

## **2. Experience**

- I was elected as the school Head Boy for the year 2013-14, by students voting. I had 14 Prefects, 4 House Captains, 4 House Vice- Captains, 4 Sports Captains to work with. With my team, I organised several events, cultural programs, debates, science exhibitions and sports competitions at school as well as at district level.
- I was selected on the World Environment Day seminar held in GB Pant Institute of Himalayan Environment & Development. It was a 5 days training to understand the Ecology & Environment related issues. We were divided into two groups wherein we participated in different activities related to Environment & Culture. I was appointed as the Vice Captain of my group. We self-directed & self-performed all the programs and with our team work we managed to win most of the competitions.
- From the past two years, I have been leading Uttarakhand Parivartan Party Students Organisation (UKPP-SO). I am the campaigning head, we for the very first time we projected a female candidate in general post for Treasurer & won the seat.
- I was one of the most active participants who even got arrested several times, was wrongly framed by the government into cases in one of the biggest movement of the recent past in Uttarakhand, **Nainisar movement**, which was against exploitation of natural resources.
- I had been active into several other movements for health issues, education and women empowerment.

### **3. Motivation to join the SC**

- From my federation APYGF and from ever person who wanted GYG to function more efficiently.
- So that I can raise the issues of different countries and my country on a Global Level and could work together to form a Global Movement.
- I have been into movements with my father since my childhood. Being a part of all those movements I have gained a lot of practical experience & I want to share my experience with the Young Greens of the World.

### **4. How do you want to help develop GYG?**

- Would be willing to give the time so that we could be more active and can organise different activities on many important issues.
- I would share my experience & learning and also want to learn about other Young Greens experiences. My vision is to collaborate the thoughts and experience of the Young Greens & implement those ideas to work towards creating a better world.
