For the following three questions you should make reference to the first page of this document, which outlines some details of the Steering Committee role and also some of the required skills.

2. Experience

- I was elected as the school Head Boy for the year 2013-14, by students voting. I had 14 Prefects, 4 House Captains, 4 House Vice- Captains, 4 Sports Captains working under me. With my team, I organised several events, cultural programs & sports competitions for my school. This helped me improve my Leadership Skills.
- I was one of the two students from Holy Angels Public School, who were selected for the World Environment Day held in GB Pant Institute of Himalayan Environment & Development. It was a 5 days training to understand the Ecology & Environment related issues. We were divided into two groups wherein we participated in different activities related to Environment & Culture. I was appointed as the Vice Captain of my group. We self-directed & self-performed all the programs and with our team work we managed to win most of the competitions.
- From the past two years, I have been leading Uttarakhand Parivartan Party Students Organisation (UKPP-SO). Under my Leadership, for the very first time we projected a female candidate in general post for Treasurer & won the seat.
- I was one of the most active participants of the biggest movement of the recent past in Uttarakhand, **Nainisar movement**, which was against illegal land acquisition & exploitation of natural resources. We were fighting for the rights of the villagers in Nainisar, as well.

3. Motivation to join the SC

My father has been into social work and fought for the rights of poor, labour class for the past 40 years. I have been into movements with my entire family since my childhood. Being a part of all those movements I have gained a lot experience & I want to share my experience with the Young Greens of the World.

4. How do you want to help develop GYG?

I would share my experience & learning and also want to learn about other Young Greens experiences. I wish to share my learning from GYG with the Young Greens of my country. My vision is to collaborate the thoughts and experience of all the Young Greens & would implement those ideas to work towards creating a better world.
