*For the following three questions you should make reference to the first page of this document, which outlines some details of the Steering Committee role and also some of the required skills.*

## 2. Experience

I am a committed member of the kenya greens serving as the project coordinator youth since its founding..kenya young greens has a number of programmes including sustainable development ,youth empowerment ,agri business,grassroot demorcacy,social justice ,ecological sustainability and technology

### **3. Motivation to join the SC**

I believe since I come from Africa there is need to represent my continent and to be able to view and represent Kenya and Africa as a whole...I am motivated by the concerns of other countries and since greens represent issues that are affecting us globally I am willing to make change and to empower and educate more and more young greens to make change globally

**4. How do you want to help develop GYG?**

I would like to mobilise other young greens to be part of the GYG and represent africa. from what I have learnt from the GYG congress I am taking it back new skills, new knowledge and to implement it in my home country.
